

# Want to Lose Three Hundred Thousand Dollars?

**I** work for you. You pay me a lot of money. My incompetence costs you \$300,000. Every year. Maybe more. But you don't know it. And you never will.

*The longer I work for you the more qualified leads, business, repeat business I send to your competitors. Today. And every day. Forever.*

***Who am I? I'm your Website.***
